A2SB Contract - The A2SB 2 Contract contains information regarding pricing, contract types available for orders, the definition of information technology, roles and responsibilities, and the Federal Acquisition Regulation (FAR).

[Small Business GWAC Ordering Guide](#)- Information only, designed for ordering contracting officers. The Ordering Guide defines roles and responsibilities for the ordering process and provides helpful instructions for using A2SB. This information is currently being updated to reflect the A2SB GWAC.

[GWAC Dashboards](#) - The GWAC Dashboards are an interactive tool that allows GWAC stakeholders to view and segment GWAC information to make better business decisions. Dashboard users have the ability to explore GWAC data by contract family, federal agency, and industry partner. Additionally, customized reports may be created and downloaded to your computer.

[GSA Small Business GWAC Bootcamp](#) - GSA's Small Business Governmentwide Acquisition Contract (GWAC) Bootcamp is an on-demand training series designed in support of Small Business GWAC industry partners and small businesses seeking to partner with Small Business GWAC industry partners. The purpose of the Small Business GWAC Bootcamp is to provide routinely requested information in an efficient and effective manner.

A2SB Publications* - The [A2SB Information Sheet](#) (Publication Number: 05-17-00498) provides an overview of the contract's features and benefits. The [GWACs Quick Reference Guide for Information Technology Solutions](#) (Publication Number: 05-16-00623) provides a matrix of GSA information technology contracts. The [GWAC Contractor Display Poster](#) (Publication Number: 5-17-00462) may be used while exhibiting at conferences and tradeshows.

*Please note: limited quantities may be ordered through the [CMLS system](#) by searching the referenced publication number.

[GSA Office of Small Business Utilization](#) - The Office of Small Business Utilization connects small businesses with people and resources to help them grow. They are your advocates. Be sure to visit their [Resources and Training](#) page for information vital to your success, when selling to the Federal Government. Also, join the [GSA OSBU Interact Site](#) to stay up to date on small business training and events.
